30/10/2020 Criminal Damage to Shelter – lead removed

04/11/2020 Trespass & Possible Poaching

There has been an increase in reports with the five incidents of theft from motor vehicles taking place on the same day. This reinforces the importance of reporting all suspicious circumstances – no matter if they appear minor at the time. Also reports should be made to the police in the first instance rather than on any social media pages such as Facebook etc. Although Social Media has many benefits for the local community, if it is not reported to the police it is not possible to collate important intelligence and have an accurate recording of activity in the area.

Reporting can be done in various ways for ease:

1. Telephone 101 – non-urgent or 999 if a crime is in action or life is at risk
2. Email 101@dorset.pnn.police.uk
3. Online reporting via Dorset Police website: https://www.dorset.police.uk/do-it-online/

You may also be aware of the break ins to the village shops in Broadmayne & Crossways. It would appear that the main target was cigarettes.

There has been a group of youths from outside of the village that we have come to notice recently with regard to anti-social behaviour and I have been engaging with them.
