Crimes Reported 10th March – 7th May 2020

25/03/2020 Theft of a light fitting from outside property Puddletown

Other issues/concerns:
15/04/2020 Strange signs etc found in Puddletown Forest (this was potentially around the time of a full moon so may have been linked to some pagan celebration)

There was also a fire in Puddletown Forest as a result of a BBQ – the Neighbourhood Policing Team did patrol the forest the following weekend in an off road vehicle and there were no concerns at that time.

I am not sure that Chine Hill, Druce is within your parish. If so you should be aware that there is fly-tipping, burning taking place on a regular basis. The Environment agency are fully aware and evidence has been submitted to them. The fly-tipping is up a bridleway on private land.
