

ORCHARD MEADOW

Update November 2019 – Puddletown Area Parish Council

New Play Equipment

Following several suggestions at our consultation at the Village Hall in January and our successful bid for funding from the National Lottery Community Fund, with additional funding from reserves and the precept the Parish Council have been able to provide significant new play equipment at Orchard Meadow.

In July a new bespoke designed basketball/kickwall structure was installed. Constructed from galvanised steel it will provide years of use.

Work is due to start in the week commencing 18th November on replacing the play equipment in the fenced toddler play area, we are installing the following:

- A new play unit that includes a tunnel and a slide
- A new double swing frame from which we will re-attach the two toddler swings
- A Honeycomb Carousel
- A bee finger maze – to be fixed to a fence panel

We will also be replacing the posts and cross-bar on the large spider's web net in the main play area.

Help Maintain Orchard Meadow

Orchard Meadow is a much used and appreciated part of the village. We want to ensure that it continues to be well loved and maintained in the future as a venue for play, recreation, wildlife and for community events and activities.
