Other issues:

Patrols have been conducted at the play park since the criminal damage report and when I have visited it has always been empty. I will continue to patrol this area.

Please encourage reporting of any incidents at the time they are occurring so, subject to available resources, officers can be sent. It is also important to report any suspicious circumstances so the police are able to allocate resources accordingly. Reports can be made by telephoning 101 or using the Dorset Police Website Contact us Section.
